Family Promise

Shaker Inn Project

E Newsletter

Family Promise is excited to share a new program which allows members of the community, scouts, clubs, families and volunteers from local places of worship to adopt one of our family motel rooms and make it family friendly. The motel rooms are clean but let's face it, they are motel rooms. We want our families in crisis to have rooms that are warm and welcoming.

How can you help? Well by adopting a single, double or family suite, you and your team can add those things that make a motel room a home. Family friendly comforters and wall art. Maybe stenciled encouraging bible verse or phrase. Storage, coat hangers, toy box...whatever you feel would make a motel room a home for a family in the crisis of homelessness.

If you have questions or interest, please contact Linda Rabolt, Executive Director at 513-934-5250 or at linda@ihnwc.org.

All rooms will be freshly painted and professionally cleaned in advance of your work.

Note: These pictures are just creative examples of what possible themes the rooms can be. It can be as elaborate or simple as you/your group would like!

Hebrews 13:2
“Do not neglect to show hospitality to strangers for by doing that, some have entertained angels without knowing it.”
