

Time for Change

March 13, 2022 and November 06, 2022

Time for Change will be designated for the Family Promise of Warren County Christmas in July Program. Christmas in July assures that EVERY current or prior shelter child that starts school is totally prepared with shoes, clothing, undergarments, haircuts and a backpack full of required items .

How Can YOU Help?

Collect your pocket change, look in-between your couch cushions and check the cup holders in your car. Keep a jar on your dresser and collect your change daily.

Encourage your employer to collect change at your place of business. Tell you friends and family about this easy way to affect positive “change” and to help those in need.

Bring your change to your church or to the FPWC Day Center at 203 East Warren, Lebanon during the week beginning March 3 and November 6.

Let your change help to provide for the educational needs of the children that find themselves to be homeless and are in shelter with their families at Family Promise of Warren County.

Contact Linda Rabolt, Executive Director, with questions.

513-934-5250

Thank you!
