Family Promise of Warren County Newsletter

by David Yelton

I am thankful. As we approach the end of a second full year of operating in the COVID-19 pandemic-mode, FPWC is thankful that you continue to support FPWC with your prayers and donations of time and money.

Families in our IHN shelter program remain housed in a Lebanon-area motel instead of being sheltered at various host churches in the IHN host-church rotational shelter model. The COVID-19 pandemic-mode shelter model continues to work well for the benefit of those families who follow the plan, which FPWC helps them develop, to obtain sustainable housing. Host and support churches continue to connect with those homeless families by providing food and other tangible evidence of their concern and love for these parents and their children.

Elsewhere in this newsletter you will have an opportunity to read about the impact of that love and support for one young family who were recently in the IHN shelter program. I hope it lifts your heart and strengthens your commitment to this ministry as it has inspired me. Thank you for helping this family.

I am also thankful to report that while the current pandemic-shelter model is much more expensive than the normal IHN host church rotational network, FPWC's financial position remains sound as we begin 2022. The combination of your gifts and various pandemic-related grant programs have covered the extra expense. However, a number of those emergency grant programs have expired and have not been replaced. At this point it remains unclear when it will be safe for the host church rotational network to resume normal operations.

FPWC has completed the acquisition of a property that, once fully converted to meet our needs, can help FPWC better respond to the full scope of challenges caused by things like the COVID-19 pandemic. I am very thankful for this opportunity. Please note that this property acquisition is just one step in a long-term project. It will not immediately address the extra expense of continuing to operate in the current COVID-19 pandemic mode.

Referrals to our shelter and other support programs remain high as more families struggle to cover higher costs for basic needs. Thank you for all you have done and will continue doing to help FPWC serve the needs of homeless and at-risk Warren County families.

Vision:

“A county where every family has a home, a livelihood and a future full of promise...”

Linda’s Letter

by Linda Rabolt - Executive Director

I’m tired, my staff is tired, and I bet that you are as well.

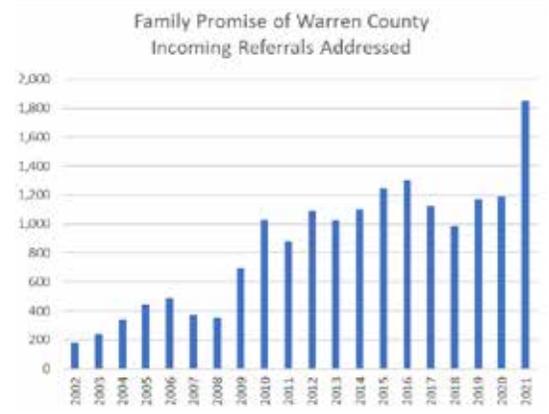

In 2021, the staff of Family Promise of Warren County experienced our busiest year in our almost 25-year history. Our programs in total served 164 families, to include 382 individuals; 187 of which were children. We spent time with, cared for, and encouraged 1851 referrals for assistance. As a comparison, in 2020 our total referrals were 1189. This represents an increase of 64% - that is tremendous increase. And we did this being the good stewards that we are, with a small but mighty staff. No wonder we are tired.

BUT, with that, we are encouraged and excited for the year ahead. During the COVID pandemic our process had changed. We were steadfast in our belief that we MUST continue to support our families, even while they could not be in our church homes or in our day center. Our network congregations, who I am sure were tired as well, continued to provide wonderful meals, kids activities and encouragement. And, then as you read in “Stories of Promise” you will hear directly from Emily who shares those words of encouragement “No matter what you’re going through it will get better. No matter how long it may last it WILL PASS”. And for her and 33 other families in 2021, “through prayer, patience and hope” they have a home.

And we too, will have a new home. Family Promise of Warren County hopes to move late this summer to 600 Cincinnati Avenue in Lebanon; the former Shaker Inn, once renovations are completed. At this wonderful building we will continue to build hope, find permanent homes, have a safe place amidst this pandemic for our families to safely interact with our staff and even our volunteers once again. We will have a playground, a laundry, access to staff – we will provide the dignity and hospitality for which we are known.

We cannot do this alone. We need YOU, our supporters, our foundation. We need you to continue to pray for this mission. To pray for the families that we are blessed to serve. To pray for the Emilys that we are blessed to have in our lives. To pray for our staff, our board, and our volunteers on whom we so deeply depend on.

We cannot do this alone. We ask you to help us to paint, to do landscaping, to renovate and to make this motel a home. A home where our families are no longer with their children in a car or unsafe environment. A home where they feel God’s love

Mission:

“To assist Warren County homeless families achieve sustainable independence through a community based response...”

Linda’s Letter cont. on next page...

We want to thank the team from the Warren County Juvenile Court for volunteering to help us with our furniture ministry and also Judge Joseph W. Kirby for his support of this program.

through what we together do; by being the hands and feet of our Lord Jesus Christ.

And with that, we cannot do this alone. We will need boy scouts and girl scouts, men's groups and women's groups, businesses, organizations, and all places of worship to share of themselves by feeding our families, sharing an outdoor game, or swinging on the playground, writing those words of encouragement, loving those who we are called to unconditionally love.

And lastly, we need your financial support, large or small as we take this journey. This journey that will allow Family Promise of Warren County to double our network, touch more children and their families and provide additional programs that will help our families to have the tools to never be homeless again.

Watch our Facebook page, E Newsletter and our web page: www.familyrptomisewarren.org for updates on our new home. Look at our Signupgenious-<https://www.signupgenius.com/go/10c0f4daaa82eaf94-family--> to see how you and/or your group can provide much needed help.

Yes, I guess I am still tired...but in that tired I know it is a good type of tired. That of which I know when we lay our heads down at night, we know that we have indeed done our best to touch the lives of those who need us the most. Thank you in advance for taking this journey with us.

Christmas in July

Christmas in July is one of the premier events that Family Promise of Warren County holds. It will be held on July 30 for the families that have successfully completed the FPWC shelter program as well as the families that are in shelter at that time.

We are grateful for the leadership provided by Jennifer Keezer and her team, who, through a well thought out plan, provide the children receive all that they need to successfully begin the school year. This includes items such as: a backpack with grade appropriate supplies, a gift cards for shoes and a haircut, outfits, a light jacket, socks, underclothing and a small gift from Santa.

In the past, we have enjoyed crafts and a turkey dinner in person. Most importantly, the children have enjoyed a visit with "summer" Santa who shares words of encouragement with each child for a successful school year. As of this writing, it is uncertain if the program will be in person or if Santa and his elves will deliver the school supplies to the children.

This program has been deemed successful by many educators that have shared the positive change that they see in our children as they enter the school year prepared and looking like all of the other children; feeling able to accomplish a positive school year.

If you want to support this program, please make your contribution in the envelope provided. If you would like to volunteer please contact Jennifer Keezer at jenniferkeezer3@gmail.com.

Family Promise of Warren County So Much MORE Than Shelter!

While the IHN Shelter program is the primary program of Family Promise of Warren County, we also provide the following programs:

- Homeless Crisis Response Program (HCRP):

This program assists in two areas, Rapid Re-housing and Homeless Prevention. The Rapid Re-housing program helps families, couples and individuals who are literally homeless. This can be in shelter, in a tent or anywhere that is inhabitable. We can assist with rent, deposit, and utilities to get the client into their own affordable housing unit.

The Homeless Prevention program can assist families, couples, and individuals to KEEP their homes when they fall behind on the rent due to job loss, illness or anything related to COVID or other areas of concern. There are income requirements and self-sufficiency requirement to this program.

Your donation of just \$40.00 will house a family of 4 in a hotel room for one day during the COVID-19 pandemic. Your donation of \$280.00 will house a family of 4 in a hotel room for a week.

Other donations

Due to COVID-19 we are unable to take donations (other than items to Heaven & Hearth) unless they are listed on the FPWC Wish List. Items that are new and in the box will be considered on a case to case basis. Unfortunately we are unable to take any used clothing at this time.

DONATION OPPORTUNITY:

The Heaven and Hearth furniture ministry provides furniture and household items not only for the families that graduate from the IHN shelter but also for individual and families that are in the community and have needs. Many years ago, we were blessed with a used box truck by the Cobblestone Church. This blessing enabled us to ramp up our pickups and help even more people. Unfortunately, our box truck is on its last legs and we have been advised by our mechanic that it is not fixable. We are currently in the process of looking for an affordable box truck that will meet our needs. Your prayerful consideration of a donation to this cause is greatly appreciated.

Donation Drop Off

Please call in advance when you are dropping off a donation. Please be aware that due to strict social distancing policy, FPWC staff will not be able to assist you with your drop off. Please realize that we are so very appreciative of your kindness and that while we would LOVE to visit with you as we have in the past, we simply cannot at this time. Be sure to leave your name and address with your donation so that we can send you a proper thank you! If you prefer to send a monetary donation to help us defray our additional costs please send to:

FPWC, 203 East Warren Street, Lebanon, Ohio 45036. Check out our web page www.familypromisewarren.org for PayPal instructions. THANK YOU for your continued support of homeless families in Warren County.

Many thanks to Karen Daniels and our friends at Sycamore Presbyterian Church for their support of the IHN Christmas Wish List and their continued support all year long! Your generosity has touched many families. We love our Sycamore family!

Many thanks to our friends at New Freedom Church for this great valentine craft. Little Bailey enjoyed it so much that she clipped it to her backpack! What a great way to share the love!

"Our family wants to thank you so much for providing meals from your church to our family. We appreciate everything you've done by lifting our spirits with the kind cards and messages inside. We cannot thank you enough and appreciate you. We are very grateful"

Stories of Promise

I'm going to share some of my life with you.

We're a small family of just three people. A young mother (Emily) a hardworking father (Justin) and a beautiful 2 year old little girl (Ezmae). We've gone through tough times but just recently we experienced the hardest of it all. We were homeless for about six months.

How'd we get there, you're wondering? Well honestly it was really an inconvenience. We had an apartment of our own, lived there for a whole year! Only Ezmae and I were on the lease, Justin wasn't... the manager of the building wanted us to add him on. That's fine we thought, no it wasn't, he was denied because of credit issues.

We had one month to find someplace new to call home. That didn't happen, we ended up staying in multiple hotels struggling to pay for a room. We also stayed with family, losing faith for finding a new home. We were on our last string so we thought to go through the local homeless shelter.

That's when everything really changed for us. Family Promise set us up in a hotel, we were there a little over a month and we spent Christmas, New Years and our daughter's second birthday there. Of course those times were kind of hard but with everything everyone did for us while being there made it so much better!

Our first night we got a huge welcome box with food, basic necessities, Ezmae some pajamas and more! Every week a different church basically supported my family. Every night dinner was brought to us & every Sunday food for the whole week was delivered. Christmas is here now, they donated a tree and of course we put it up. I didn't think we were going to have a gift giving Christmas but I was wrong. We were brought gifts & even Santa showed up for Ezmae! Maybe for some people that wouldn't be an ideal Christmas but for me that will never be a forgotten one.

We had an amazing case manager through Family Promise who helped us tremendously and I really couldn't thank her enough. They gave us many resources to find a new home and that's really all we needed. Sometimes strangers can be your biggest supporters.

Through Prayers Patience and Hope we have a home, A HOUSE!

I couldn't be more thankful or feel more blessed. We're doing amazing and Ezmae absolutely loves all the space she has to play! We have a perfect home to create beautiful memories in! Our families are so proud of us, we stayed strong and overcame a huge obstacle as a family.

No matter what you're going through it will get better.
No matter how long it may last it WILL PASS!

Host Recruitment & Retention

by Jennifer Fry & Mary Joseph (Co-Chairs, HR&R Team)

As this message is being written all of us who serve on the Host Recruitment & Retention team (HR&R) for Family Promise await the arrival of the season of spring. When you are reading this, spring will have already sprung, according to our calendars. What a wonderful gift this season is as we watch new life appear, buds on trees, bulbs pushing forth from the ground, the return of some of our favorite birds, and the opportunity to plant our gardens as the earth warms up. Joy fills our hearts and minds as we say, “thank you, God, for all your gifts of creation.”

It is with much gratitude that we share with you some updates about the work our team is doing. We are continuing our “Thank You” initiative by contacting our hosting and supporting congregations soon after they have completed a rotation week. During each week, our program families receive evening meals, notes of encouragement, and craft items for the children and youth. All of these are prepared by church volunteers. The families continue to be housed in a local motel and the meals are delivered each evening to the scheduled host congregation. From there they are picked up by one of our Family Promise drivers and taken to the motel for delivery to each family.

If you are currently helping us care for our families, know that every day, we get positive feedback from them about the care and attention you put into their meals and the activities you provide are always appreciated. We often get pictures of beautifully completed craft projects! Never doubt that your contributions are received well and with gratitude from our families.

In the coming months, we’ll be creating a new Facebook page for our current coordinators. This will be a place to share best practices and for us to learn from each other. Another church may be doing something you do, but differently. Or it may inspire you to try something completely new! Watch your email for information soon!

As we move forward in 2022, we expect our volunteer needs to expand. If you’re not currently providing meals and/or activities, we continue to look for churches, businesses, and organizations to support our program by providing meals for our families and activities that can be completed in the hotel. Games, coloring books, books, toys, and, soon enough, outdoor toys will be used and well loved. If you’d like to learn more about us, and how we help homeless families find shelter and housing, please consider joining us for an information session on Zoom, on April 21, 2022 at 10 am and 7 pm. The zoom link is Join our Cloud HD Video Meeting and the passcode is 044037. If you have other questions, we encourage you to call the Day Center at 513-934-5250 or visit our website at familypromisewarren.org.

"To everyone who helped my family at Christmas. It's hard to put into words how much it meant to us to see our kids have a great Christmas. You definitely went above and beyond anything we expected. And, hopefully, one day I'll be in a position to make someone's day way better, the way you have done for my family!"

Coordinator Corner

by Chris Brown - Lebanon Presbyterian Church

Refresh Others (Proverbs 11:25)

Although Lebanon Presbyterian Church (LPC) has been a long-time member of the Family Promise of Warren County's family rotation, I have been participating but a handful of years.

At 50 years of age, my oldest was preparing to graduate from Little Miami High School. With one less child to actively tend to, I wanted to find work that could make me feel like I was contributing to the community (which "community" was still an unknown).

After three years of prayers and seeking, I was led to return to school for dietetics. There I learned about community nutrition and the challenges faced by families to afford tasty, healthy food. While in school, I heard about an opportunity to serve this very community at LPC. At the end of 2019, I was preparing for my last term of school when I was asked to be on a new IHN team at church.

It seemed like an easy task: figure out dinner plans and have some breakfast and lunch items available during the week. THEN...COVID struck. What a baptism! This is where my story as a coordinator begins with our new team's. Our team has only done covid style IHN weeks.

I feel more attached to the families under these different times. In the kitchen our cooks and prep team members see the family members names and ages. We pray for them as we prepare and package their meals each night. One rotation that will always hold a special place in my heart, was a week there were 3 special nutrition concerns; the most foreboding one yet: a member of one of the families had chosen a vegan lifestyle. Although a challenge, it was the most fun and engaging week of trying out new recipes. If we didn't like it, we didn't send it out and we got to try again. (We made a batch of rubbery pancakes).

Our church is BLESSED with people who love and know how to cook. I feel Deuteronomy 15:10 each rotation (Give generously... the Lord our God will bless you in all your work and in everything you put your hand.) Each night, we have 3-4 volunteers that prepare hot dinners from the heart and package a variety of breakfast and lunch food for the next day. These volunteers comprise of two dozen women and men in their 20's through their 70's. There's another dozen cooks who will bring in prepared side dishes they lovingly make in their homes...one teenager faithfully bakes apple pie bars each rotation. This group allows the cooks to concentrate their time on preparing hot food for dinner. Then there are the other gracious families that donate 150+ ingredients, so that we can make tasty, hot healthy dinners, and provide a variety of lunch and breakfast meals.

The members of LPC's IHN team (which are mostly teenage girls) make sure to love on our families with age/gender appropriate gifts and letters of encouragement. Our program would not be complete without them. This team and Lebanon Presbyterian Church members look forward to the day that we can once again love and dote on the families in person.

I truly feel blessed, and I know this is where God wants me to serve... In HIS community that faces multiple challenges...this is one less challenge on their proverbial platter.

1. What do you usually do to volunteer for FPWC? Which is your favorite?

We come every week to help organize the warehouse! We love helping to prepare the furniture for families before they come to pick it up!

2. How did you first get involved in FPWC?

We have had appointments to serve each week for years! As missionaries we get moved to different areas every few months and we serve at FPWC when we are in this area!

3. What is your "why" for volunteering?

We love to help out and serve others in the community.

4. What is a memorable moment about your work with us?

Getting to help families move is always memorable! It is awesome to see them so happy!

5. What would you tell new members/volunteers about volunteering for FPWC?

Request to work with Jesse!! It is a lot of work but it's a lot of fun!

6. Tell us a fun fact about yourself!

(from left to right) Elder Ludlow plays 8 instruments, Elder Tate is good at art, Sister Dudley is a farmer and Sister Roberts loves everything green!

Board Spotlight

getting to know

Monica Widdig

1. How long have you been a board member of FPWC?

I have been a board member since 2014.

2. What do you enjoy most about being a board member?

I enjoy supporting the mission of FPWC the most.

3. Why did you join FPWC?

I began working with FPWC in 1998 as a volunteer. My children were young at the time, and I wanted to find a ministry that we could do as a family. FPWC has been a special part of our family and has created a lot of memories. Serving FPWC families has been very impactful on my children and our family in many ways.

4. What is your current occupation?

I am an accountant and teach accounting full-time at University of Cincinnati Blue Ash College.

5. What do you love most about FPWC?

Providing an opportunity for families to get back on their feet. In the past 23 years I have witnessed a lot of success stories.

6. What's something about you (a fun fact) that not many people know?

I love anything on or near water, ocean, lake, or river. Being on the water is my happy place.

Shaker Inn Update

In our last newsletter (December 2021) we announced our pending acquisition of a small, historic motel in Lebanon known as the Shaker Inn, with the intent to increase our capacity to serve homeless families in our community. We are pleased to provide a brief update on this project.

We have secured final approvals from the City and County to proceed with our proposed use of the facility, and we have completed the purchase of the property. Going forward the location will be called "Family Promise" in keeping with our name and in recognition of the change in function from a public inn to a campus that will provide residential space for guest families, a Day Center, and administrative offices.

The building will need significant renovation in its plumbing and electrical systems, as well as remodeling to portions of the building to better serve guest families and staff. An extensive list of projects has been compiled, and work is now underway. We are targeting completion in late summer, at which point we will relocate families and staff from our current facilities on Warren and Cherry Streets.

We will be posting regular updates to provide photos and progress reports on the renovation efforts. Please follow us at <https://www.facebook.com/IHNWC>.

We have a Special Edition Newsletter dedicated to this project and will be providing extensive detail on costs and funding as well as the plans for renovation and operation. If you do not currently receive our newsletters and would like to be added to our mailing list, please send your name and email address to jesse@ihnwc.org.

Run4Home 5K & Kids Fun Run

The 16th annual Run4Home 5K and Kids Fun Run will be held at Shelter 33 at Armco Park, located at 1223 State Route 741, Lebanon on July 4, 2022.

This event will benefit the programs of Family Promise of Warren County.

The year, the Run4Home will be led by the staff and Board of Directors of Family Promise of Warren County to celebrate our new facility and our 25th year of service to the community which will begin on September 1, 2022. There is indeed much to celebrate!

This year at the conclusion of the Run4Home, all participants are invited to enjoy a good old fashioned hot dog barbeque and Open House at the new facility located at 600 Cincinnati Avenue until noon. We hope that you can join us as we celebrate next steps.

Please sign up online at brunningendurance.com or visit our website at www.familypromisewarren.org to sponsor, for a paper entry and more information. We look forward to seeing you on July 4 for a great start to the Independence Day holiday!

A Community Response
to Homeless Families

Did You Know?

- ★ On September 1, 2022, Family Promise of Warren County (formerly known as the Interfaith Hospitality Network of Warren County) will commence its 25th year of service to homeless families in Warren County.
- ★ Since our inception as Interfaith Hospitality Network in 1998 we have housed 940 families in our shelter program, made up of more than 2,700 individuals including nearly 1,800 children.
- ★ Programs of FPWC include: the IHN Shelter for families, Homeless Crisis Response Program and the Heaven and Hearth Furniture Ministry.
- ★ Including all of our program offerings we served nearly 200 families last year, with 250 children among more than 500 individuals assisted.
- ★ In 2021 we were approached for assistance 1,851 times by individuals, agencies, congregations and others, exceeding our previous annual record by 42%!
- ★ We are grateful to be joined in these efforts by approximately 1,500 dedicated volunteers.
- ★ The FPWC Heaven and Hearth furniture ministry will take your donation of used, good as new furniture and furnish the homes of FPWC graduates and others in need. Contact the FPWC office if you have items to donate at 513-934-5250.

Contact Linda Rabolt if you would like to volunteer, or if your congregation would like to join the network. The need is great.
