OUR HOPE

Is that you will Try It AND Like It and continue to share your time with families in the FPWC Shelter Program, and in doing so, you will have a *life-changing experience* and *make a change in the life* of a family in the crisis of homelessness.

Family Promise of Warren County (FPWC) opened its doors in October 1998 to serve families in Warren County experiencing homelessness. Through our Shelter Program FPWC has provided a program of accountability and responsibility for over 25 years so families with children experiencing homelessness can become housed and self-sufficient. We accomplish this goal through dedicated staff and the assistance of many volunteers from congregations, businesses, organizations, clubs, and other groups who provide meals, fellowship, and overnight support to the families in our Shelter Program. These volunteers from congregations, organizations, and businesses also provide mentorship, care and concern to the families we are blessed to serve.

OPPORTUNITY:

Prospective volunteer groups covering one night of meals, fellowship, and overnight support

Working with a seasoned volunteer or "Ambassador" who:

- answers any questions you may have leading up to the hosting date.
- is present throughout your time to provide additional support.

The Ambassador will be in contact with the lead person in your group approximately three weeks prior to the hosting date to start the guidance process
