The Board of Directors and Staff of Family Promise are excited to share that we have purchased the Shaker Inn property! We look forward to ***A Future Full of Promise*** for all families in Warren County who find themselves in the crisis of homelessness. This new property will allow Family Promise to not only increase our services to those who need us the most but to also provide other services to those who find themselves homeless so that they can become self-sufficient and successful.

**We hope that you will come along with us on this journey as we make much needed renovations to the building!**
