Family Promise of Warren County Newsletter

President's Page

by Carol Spicer
Board President

This year has been one of extraordinary growth and achievement for Family Promise of Warren County (FPWC) and we could not have done it without you. Your support is the heartbeat of our mission: "To assist families experiencing homelessness in Warren County, Ohio, to achieve sustainable independence through a community-based response". In 2025, FPWC successfully hosted three major fundraisers: Golf Fore Home, Run4Home 5K, and Tailgate for Home. Thanks to these events and the generosity of our volunteers and donors we've been able to grow and serve more families. It has been a true blessing to meet so many of you who give so selflessly.

Looking ahead, our next exciting challenge is to launch a second network. This expansion will double our capacity, allowing us to serve twice as many families and children in our community. To make this vision a reality, we need your continued support through donations, volunteering, and spreading the word.

Our ultimate goal is to ensure that every family transitions from FPWC into a safe, stable

home. Your donation today of any amount brings us one step closer to achieving this goal. Interested in getting more involved? Please reach out and connect. We have several upcoming events where you can connect with our team, our mission, and the families we serve.

Thank you again for your ongoing support and dedication to FPWC. Together, we are building a brighter, more stable future for children and families across Warren County. Wishing you and your loved ones a joyful, healthy holiday season.

Linda's Letter

by Linda Rabolt
FPWC Executive Director

A couple of weeks ago, while heading to the mailbox, I ran into one of our many volunteers. This volunteer was busy working the Storybook Garden Path, picking raspberries and enjoying the beautiful day.

This gal approached me, and we chatted for a few moments. She shared with me how sorry she was that she had not had much time to volunteer this year and mostly "only watered" when she had time. I was taken back by her apology and assured her that her contribution was amazing and much needed. I shared how appreciative I was for all that she had done. And with that, I started to think about all the volunteers that make Family Promise of Warren County (FPWC) work. How many of our volunteers feel bad about what they "only" could do???

Since even before we opened this organization back in October 1998 that small group of volunteers collectively spent many hours creating what is now FPWC. Their hearts were in family homelessness and how to give a child a future. I am

sure that in that group there were folks who wish that they could have done more. There were and are no apologies needed as we have grown from just 8 congregations to more than 60 organizations that provide food, fellowship and overnight for families in the crisis of homelessness.

Volunteers and supporters together helped FPWC to raise more than \$56,000 needed funds through attendance at our Golf Fore Home, Run4Home 5K and our Tailgate for Home. And at each function, I did hear from these wonderful supporters as I thanked them, "I wish I could have done more". Let me assure you. Every day, I am touched by the hearts and spirit of each volunteer who take time out of their day to love those that we are called to love.

A few weeks ago, Mike had provided a wonderful meal of chicken, mac and cheese and green beans. We had a new group of families and the FPWC type of hospitality was new to them. Mike sat with the families during dinner and made them feel so comfortable.

Linda's Letter cont. on next page...

Vision:

"A county where every family has a home, a livelihood and a future full of promise."

"I read your newsletter and was so touched about the Kohl's story. It brought a smile to my face but also a tear. I decided I wanted to help the children out just like that person did. Enclosed are two \$100 gift cards to Kohl's. I know you use your funds and gifts wisely and will make good decisions on how this money is used. Keep up the good, hard work you do every day. You are making a huge difference in people's lives!"

-The "S" Family

"I really don't know how FPWC could do more for my family. Everything was helpful, it was a God send. They gave us every tool we needed to succeed. Every single person we met was kind and had nothing but our best interests in mind."

-Seldon & 3 Grandchildren

Mission:

"To assist families experiencing homelessness in Warren County, Ohio, to achieve sustainable independence through a community-based response."

"I wanted to write a letter to thank you for all your help with getting us a car. We are really grateful. Everything that we went through in the last year our car was the only consistent thing we had. It was our only way to get away from all the crazy and just breathe. Our car was the last thing we had that was ours, when it broke down, it was just a reminder of all the bad stuff we went through. It brought on a lot more stress, worrying about the kids appointments and everything else. I could never put into words or express how thankful and appreciative we are for all your help. It means so much to us. Thank you so much."

-Sara & 8 Children

The other volunteer, also a Mike, spent time with a mother of three and as she shared, made her feel so comfortable with her decision to come to FPWC.

After dinner everyone went out to play and after a while, the families were invited back to David's Place to enjoy a craft. Everyone happily went on to the Day Center except for three-year-old Preston. Preston did not want to go inside. He wanted to play. And play he did. Mike stayed outside with little Preston. They kicked a ball, they played, and more importantly, little Preston was provided with the love and attention that he needed at that time.

"Only". I hope that our volunteers never use this word in a negative way. If you "only" provided food, you fed someone who was hungry. If you "only" stayed overnight, you provided our families with security. If you "only" attended a fundraiser, you allowed FPWC

the funds to pay our staff, keep our doors open, and make much needed repairs to the campus. And, if you "only" played outside with a three-year-old, you made him feel loved. There are no "only's" at FPWC. There is so much appreciation for all that you do and will do.

As we move into 2026, FPWC has plans to increase our reach into the community. We will open our next six rooms as we build our network of congregations, organizations, and business. We will bring more families out of the crisis of homelessness and into the security of housing. And we will do this with each of you by our side.

This holiday season and always, I share my heartfelt thanks to all of our volunteers and supporters. You are now and have always been our foundation. Thank you!

Stories of Promise

by Brandy & Alan Brummett
Graduated Clients

Life for us before FPWC was rough. Alan and I started our family at the ages of 15 and 17. We were very lucky at that age to have a ton of support in helping starting to raise a child. As years went by, and one bad decision after another left us with no where else to turn to for help but FPWC. At that point, we finally realized we were as low as you get and we had to get fix it.

Honestly, I started researching closest homeless shelters to me and I went from there. I had heard that there was one in Lebanon before but we knew nothing about it or how any of it worked. The one thing that stood out to me the most is that everything there treated us like regular people. Not dirty people or bad people or bad parents, just regular people. That feeling alone, of true humanity lit a fire in our soul like nothing else ever could. We knew right then we had a fighting chance.

Our experience while in the shelter was truly amazing and nothing you would ever expect when you think of a shelter. While as we were staying in churches

during our time there, that also had some pretty amazing upsides. Every church had a huge gym that all the kids loved. They played dodge-ball, basketball, Uno and us adults were involved also. Some of volunteers would sit and talk and joke with us like we were all best friends. Also, the food was always amazing. Amazing people doing amazing things for complete strangers. Angels among us just like the song.

Fast forward to today, our lives are completely crazy but in a good way. We still live in the same two bedroom apartment we moved out of FPWC into almost 7 years ago. We also now rent a garage from our landlord to keep our 2025 Harley Davidson Road Glide in. Alan is a city driver for Saia LTL Freight and has been with them now for almost 7 years. I (Brandy) recently left my job at Hot Head Burritos of 6 years and became a full time DoorDasher. Kendra is now 17 and a senior in high school and is in the Cosmetology program at the Warren County Career Center. She also works at a salon in town. Eleanore is now 12 in the 6th grade and is currently a cheerleader for Lebanon 6th grade White.

We have continued to push ourselves to bigger and better goals and dreams and we never lose sight of where we started. We make better decisions and fight and strive to be better each and every single day and we always give FPWC credit for the time and effort that they put into our family. Nothing was ever easy, but this is proof that hard work does pay off.

1. What do you usually do to volunteer for FPWC? Which is your favorite?

For the past many years (at least 12 years) I have been honored to lead a Christmas project for the families of FPWC. With the great help from St. Patrick's Episcopal Church and the Family Montessori School next door to the Church, which is led by Tina Evans, we have been able to provide a great Christmas for the many families who are in this program. The Christmas project started many years ago with the youth group that I taught at St. Patrick's. The project took off as a great success and has continued to be a wonderful project. Each Christmas we buy warm coats, hats, and gloves for each family member as well as many gifts for each of the kids in the FPWC program. Personally, it is truly a rewarding experience to know that all these kids and their parents will have a wonderful Christmas as a result of this project. I am so fortunate to have so many people to help me with making this program successful.

2. How did you first get involved in FPWC?

I first got involved through St. Patrick's Church by volunteering to spend the night with the families from Interfaith Hospitality. I had a chance to get to see the needs that these families had as they spent the night at our church. It touched my heart to see the kids and the circumstances that they were experiencing from being homeless. I also got to know Linda Rabolt and witnessed the wonderful work she and her staff did to help these families.

3. What is your "why" for volunteering?

I have always felt that it is so important to help those in need. I want Christmas to be a special day for all these families. It warms my heart to know that each individual in these families will get the opportunity to experience God's love on this special day. The mission statement in our Episcopal Church was to take the love of Christ into our world. This gives me and many others that opportunity. It is an honor for me personally to be involved in this project.

Staff Spotlight

GETTING TO KNOW

ANDREW RABOLT

1. How long have you been a member of the staff of FPWC? What is your position? Tell us a little about what you do and your educational background.

This is a hard question for me to answer; I grew up helping around FPWC, then known as Interfaith Hospitality Network. I would guess the first staff position I had was back in 2010 when I started doing low-income tax returns, through Ohio Benefit Bank, for the families and community at large. Through the years I had more responsibilities added to my plate. At this point my title is Weekend Office Manager, Security, and Statistics. My formal education is that I've attended Bowling Green State University and Sinclair College.

2. What do you enjoy most about being on the FPWC staff?

The atmosphere. We are all working on the same goal, we might have different ways to do so, or thoughts as to what the best way to accomplish them are. Through discussions and sometimes heated ones, we all know that what we all really want is to help our clients.

3. What do you love most about your current position?

Flexibility is key here. I have probably the most varied number of jobs here at FPWC, from weekend work to equipment, security, and technology related work. I never go into the office in the morning and know what exactly I'll be working on.

4. Tell us a little about your family.

As you might have inferred by my name, I am the son of Linda Rabolt, Executive Director of FPWC. My father is a retired County Administrator, and I have one sister, who lives in Michigan, and a nephew. We are all close and speak with each other often.

5. What's something about you (a fun fact) that not many people know?

I have a hat collection. That being said, some people when they collect things have a particular style or preference for whatever it is they collect. I like all hats. I have many kinds of head covering, ranging from a baseball helmet from the Braves to a Disney Micky Wizard Hat. I also have many ball caps with and from different places. It's a varied collection that I enjoy.

Volunteer Spotlight

GETTING TO KNOW

EARL EDMONDS

Host Recruitment & Retention

by Jennifer Fry
Chair

As we close out a very successful year, I am once again filled with gratitude to our many volunteers from more than 50 congregations, business and organizations that continue to support Family Promise of Warren County (FPWC). In doing so you have provided hospitality to our families in the form of food, fellowship, overnight support, bikes, the Storybook Garden Path, cleaning/organizing the campus, and so many other acts of love and kindness.

In 2025, we opened our arms and welcomed: CrossView Christian Church, the Notre Dame Club, Crossroads Community Church, the Countryside Church of the Nazarene, Mane Inc, Festo, scout groups as well as families and individuals. These new additions to our FPWC family brought enthusiasm, love and care to our families and our campus.

The Host Recruitment and Retention team of: Pr. Steve Rudisell, Jennifer Goepper, Jami Madewell, Paul Dillenburger, Shelly Stack, Linda Rabolt, and chair Jennifer Fry have been busy recruiting additional hosts, and we are happy to report that we

are planning to open Network II in Spring 2026. In doing so, this will allow FPWC to assist an additional six families out of the crisis of homelessness and into self-sufficiency.

Many more volunteers are needed to make this outreach a successful reality. Training dates are set up for 2026 and training will generally be held on the first Saturday of each month from 9am to noon. Donuts and coffee are provided. This is time well spent with FPWC staff sharing policy, procedure, relevant stories and a tour of the facility. Please sign up on our website at familypromisewarren.org.

As you enjoy this blessed holiday season, consider spending some time in prayer and contemplation as to how you, your congregation, your club, your work team and other groups can share your time and talents with FPWC and the families that we are blessed to serve. We look forward to welcoming you to the FPWC family of volunteers!

If you have any questions, do not hesitate to reach out to Linda Rabolt at 513-934-5250 or Jenn Fry at jenniferf@ihnwc.org.

Coordinator Corner

by Randy & Cheryl Adams
Crossroads Church, Mason

Crossroads Mason is one of several satellite campuses for the main Crossroads Church location in Oakley. We embrace the idea of Christians being born for adventure and display this belief in many mission and outreach opportunities. We GO to our surrounding communities and globally to serve because God calls us to act, and blesses us with the ability to do so.

Crossroads Mason originally started serving with FPWC as partners with Heritage Presbyterian Church, in May 2020, by hosting Friday evenings during their week of service. As we broadened our volunteer base we chose to host weeks on our own. In 2025, we started by hosting 2 weeks and also were able to supplement additional days when asked by FPWC. Our volunteer base has continued to grow and we have committed to hosting 4 weeks in 2026!

In addition to hosting weeks of service providing meals, evening, and overnight hosts, multiple groups from our Crossroads community have participated in projects with FPWC. Groups have helped set up, organize and label items in the kitchen before opening the new campus and have worked alongside the Love Like JJ organization to build the Gaga Pit, install the basketball hoop, library box, and benches. The past 2 years during Crossroads GoCincy day we put together the raised beds, spread mulch, weeded and set the posts for the Storybook Garden. We later partnered with John Cecere, leader of Christians

in Action, to set additional posts for the garden. Currently, Crossroads is gathering supplies for the FPWC Christmas wish list.

It was a privilege to be one of the many sponsors in the Run4Home 5K (and to participate alongside runners/walkers from our Crossroads community)! In addition, with generous donations from our volunteers, we were able to provide a raffle basket at the inaugural Tailgate for Home fundraiser (which was a nicely attended event to promote support for FPWC).

This past summer Crossroads collected 8-10 bikes for the children and parents to ride on campus. Seeing them enjoy riding the bikes warms our hearts. The children found such joy in being able to just be kids. FPWC has such a heart for the children and our volunteers enjoy coming to spend time with the families each evening. This summer our volunteers enjoyed playing tag and football, drawing pictures with sidewalk chalk, doing crafts, and having a water night with the children and parents. We find the families are always so appreciative of meals provided, evening activities and assistance received by the program.

We have been so impressed with how Linda, staff and board have grown this mission to help support families. We pray for God's guidance in discovering other ways to serve and are so thankful to everyone at FPWC for all the work they do and pray Jesus continues blessing the families supported by all of us.

Storybook Garden Path

by Alenka Chadwick
Warren County Master Gardener Volunteer

The Storybook Garden Path area at Family Promise of Warren County (FPWC) has taken great strides this year. What fills us with awe is how many hands go into implementing the vision. Project lead Tom Ludeke installed the first book in 20 stations: The Little Engine That Could. Not only is this a favorite with a message that never gets old, but 2025 is its 95th anniversary. Tom also oversaw the installation of paths made with crushed limestone. The Master Gardener Volunteers of Warren County (MGers) augmented the existing plantings from last year with MGer supplied and nurtured Williamsburg, VA, hollyhock seeds as well as MGer grown woody plants (sweet bay magnolia, buttonbush and red twig dogwood) that have thrived.

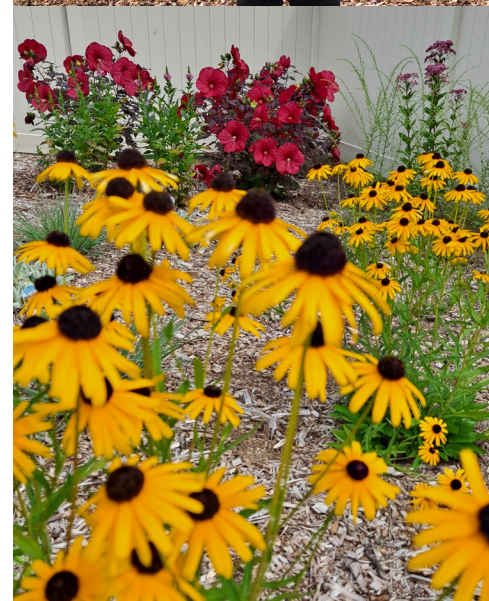

The front beds were aided by the self-seeding of orange cosmos and dill as well as overwintered dahlias. In fact, the dill and cosmos seeded so freely that there were plenty for packets to be used by FPWC. We are grateful for a number of large volunteer groups who came with some regularity to help with weeding and mulching. Certain weeds, such as couch grass, alas were persistent invaders. Volunteers from Crossroads Church and Festo were also a tremendous help with the display pedestals and pergola.

After the paths were installed, Tom and several MGers selected eight

woody plants from Grandma's Gardens with the intent of providing more shade and building screening. Using drone images provided by Tom, MGers created a layout for the new plant materials. Grandma's Gardens gave a much appreciated discount on both the new trees and shrubs and the installation that took place on October 9th.

In the back, the Toddler Playground plantings have thrived. The area is now completely planted with the addition of Raydon's Favorite asters. The 'Holy Grail' hardy hibiscus and 'Fireworks' goldenrod have put on a particularly beautiful show.

Plans for the rest of this year and next include making sure that the new woody plants get a good start in life with regular watering. Installation of a new pergola with built-in benches should be done soon and the MGers will be planning best plantings to provide shade and beauty. Lastly, a few more 'Mr. Bowling Ball' arborvitae are planned to soften some path corners. Thanks go to the full crew of MGer regulars who contribute in so many ways: Mindy Hoffbauer, Janet Maney, Elaine Sharp, Sandi Thompson, Jane Titus, Patty Tkatschenko, and Deb Wiater. Thanks also go to the Town & Country Garden Club and the Litsey family, tenders of the raised bed gardens that have provided beautiful flowers and seasonal produce!

Fundraising Update

by Monica Widdig
FPWC Board Treasurer

The Board of Directors of Family Promise of Warren County (FPWC) would like to share our sincere and heartfelt appreciation to our many supporters for helping FPWC to raise the much needed funds this year.

Early in 2025 it was determined that FPWC would hold three major fundraising events. The Golf Fore Home was held on May 19th at the picturesque Heatherwoode Golf Club. With a total of 133 golfers participating, this event raised a total of \$27,618. We are excited to announce that due to the success of this event, FPWC will hold the second annual Golf Fore Home with even more fun and original events. Watch for more information on our E-Newsletter and start forming your team now!

On July 4th, 369 walkers and runners participated in the Run4Home 5K and Kids Fun Run at beautiful Armco Park. This fun event raised a total of \$16,670! We are excited to invite you to our 20th annual Run4Home on July 4, 2026, which will be bigger and better as together we celebrate the 250th birthday of our great nation. Stay tuned for more information on this event!

On October 5th, a total of 150 Bengals and Lions fans joined together at the first annual Tailgate for Home, held at the Manor House in Mason Ohio which raised \$11,733. Fans watched the game while enjoying delicious tailgate food, a generous split-the-pot, bourbon/wine pulls, spin the wheel, and let's not forget the wonderful

raffle baskets. Former guests, Brandy and Alan Brummett shared their story of success and an update on their lives. We were also so excited for our MC's for the evening Scott (WLW radio personality) and Michelle Sloan of RE/Max Time who made this event fun and lively. And we are happy to announce that Scott and Michelle will join us again at our 2026 event! Keep watching for more details on this event and get your tickets early.

As FPWC looks ahead to 2026 and the opening of Network II with the prospective date of May 2026, we will face additional financial responsibilities including additional staffing, increased utility costs, unknown repairs and needed capital improvements. With the opening of Network II, FPWC will have the opportunity to provide a dignified space for up to 10-12 families at one time to include a total of 32-35 people. This will essentially eliminate any wait period for those in need and will ensure that children can be in a dignified space where they can be happy, thrive and be safe.

Together, with your prayers, support, and continued stewardship we will make a positive impact on families who are without a home. Thank you for all that you do!
